

# **ADVENTURE CLUB**

## **SCHOOL AGE LEARNING LAB FOR VIRTUAL STUDENTS**

Adventure Club Parents,

Countryside Christian Preschool and Adventure Club takes the CDC guidelines very seriously. We will be unable to do before and aftercare due to the Pinellas County Licensing Board and CDC restrictions. However with so many parents considering virtual learning options for next school year, we will have a school-age full day learning lab for elementary and middle school children.

Our goal is to provide working parents a way to keep working while their child is enrolled in virtual school and for the parents that feel it's unsafe to send their children back to public school in a full ratio sized classroom. We will have school-age Learning Labs here at Countryside Christian Preschool / Adventure Club. Each class will have experienced teachers that will follow your child's virtual schedule, set up by their school through MyPCS Online or Pinellas Virtual School.

Our school hours will be 7:30am to 5:00pm and the hours of the learning lab will start at 8:30am-3:00pm. Your child will need to bring their laptop or tablets, charger and a headset with mic for online virtual learning with their teacher.

Each Learning Lab classroom for virtual students will have:

- Experienced teachers.
- CDC recommended class ratios; 9 children or less to 1 teacher
- Separate classrooms and bathrooms for each class
- Social distancing but children will still be able to socialize in their class
- Temperature checks
- Access to internet for live meetings and classroom instruction
- Follow your child's Virtual Learning platform and schedule
- On campus, PE, Art & Recess
- Cleaning and disinfecting each class and school`

We understand that it is an act of faith that you entrust your child(ren) to Countryside Christian Adventure Clubs care. Each day will be fun learning, friendship and God's Love. While at Adventure Club we will have a wonderful opportunity to meet others and create lifelong friendships. They will discover new and exciting hobbies while learning important life skills. Because of God, great parents, awesome students and dedicated staff this school year will be amazing!

Adventure Club provides children with a safe, caring environment in a Christian atmosphere where each child has the opportunity to work, play and do activities that inspires them to do great things.

The registration fee is \$50 and is only paid once each academic school year.

The price for full day care & Learning Lab, the hours of 7:30am to 5:00pm is \$150 per child / per week.

The price just for the Learning Lab, the hours of 8:00 to 3:00 is \$125 per child/per week.

If you are interested in signing your child up for Countryside Christian Preschool / Adventure Club School-age Learning Labs please contact Nicole Reitmeyer at 727-799-1618 x 1012 or email at [Nreitmeyer@countryside.cc](mailto:Nreitmeyer@countryside.cc)
